Dear Barry,

I am sending you a list of names scratch for your special appeal for funds. Something should come out of it. I will be interested in the result. I suggest you write Liam Martin to write to John Curting. He knows him very well. I also suggest Martin Molony for addresses of likely customers. Perhaps you will please send me a copy of the appeal sent out. All kind regards.

By the way have you passed your Nagsenty yet?

Yours

Sein McGrath

P.S. When phoning do not ask for Mr Sein McGrath
